GREETINGS!

The Staff of the 1956-1957 M Book wish all of you a happy and successful college year. If our efforts in preparing this book help you toward that end, we will consider them worthwhile.

The primary aim of the M Book is to acquaint you with that part of college life not found in the classrooms or in textbooks.

We express our sincere appreciation to those who have given their time and cooperation in making this book possible, and we hope it will be beneficial and practical to all of you throughout this new college year.

Sincerely,

THE STAFF

"ALMA MATER"

Where Chilhowee's lofty mountains
Pierce the southern blue,
Proudly stands our Alma Mater,
Noble, grand, and true.

Chorus

Orange, Garnet, float forever,
Ensign of our hill!
Hail to thee, our Alma Mater,
Hail to Maryville!

As thy hilltop crowned with cedars
Evergreen appears,
So thy memory fresh shall linger
Through life's smiles and tears.

Lift the chorus, wake the echoes,
Make the welkin ring!
Hail the queen of all the highlands!
Loud her praises sing!

FIGHT SONG

"On Highlanders"

(Words and Music by Charles Huffman, '49)

On, Highlanders, down the field,
Rolling up a high score!
Tear into the end zone,
Smash on through that line,
Highlanders!
Send a rousing cheer on high,
And our boys will shine.
Come on and fight, fight, fight!
Come on and fight, fight, fight!
For dear old Maryville!

FIRST SEMESTER, 1957 - 1958

Sept. 3, 4:00 p.m. — New students report.

I take this means, provided by the **M Book**, to extend a welcome to all who enter Maryville College or who return for the year 1956-1957.

One wishes it were possible to familiarize every student at once with the ideals and events which constitute the character and history of Maryville College over the 137 years since its first class met. I commend to you not only the brief sketches in the catalog and other bulletins but also the more detailed history written by my own predecessor, Dr. Samuel Tyndale Wilson. His book, **A Century of Maryville College and Second Century Beginnings,** may be seen in the college library.

Very early in the book and repeated in various places is a list of qualities which historically have been related to what is known as the Maryville Spirit. These qualities usually have been named in this way: breadth of vision, thorough scholarship, spiritual religion, and unselfish service. I commend these to you as keys to a successful college career and to a successful life.

Ralph Waldo Lloyd
President

TRADITIONS

You will catch the spirit of Maryville and feel that you are a part of our college family when you become acquainted with some of her traditions. They are the things big and little that make being a student something sort of special—those things that will make your love and understanding for your college broader and deeper and your memories of your days here more vivid and pleasant.

You will always remember your first few days at Maryville as days of LINES—registration lines, Treasurer's Office lines, Bookstore lines, and more lines. Then comes the most surprising and longest line of all which is somewhat different in dress and in procedure from all the rest. Your dress is formal, your handshake firm and your smile is your brightest. All this leads to the FACULTY RECEPTION. There will be new faces and new names which will grow to mean a great deal to you during and long after your college years.

These are wonderful, hazy days for the freshmen as you are sought enthusiastically by the four societies. Theta Epsilon and Alpha Sigma, and Bainonian and Kappa Phi are the two pairs of sister and brother societies. These societies carry out friendly, but spirited, competitive campaigns as each pair pack into their RUSH WEEK such events as the tea and square dance sponsored by Bainonian and Kappa Phi, and the fashion show and the splash party sponsored by Theta and Alpha Sigma. Each society's RUSH WEEK is climaxed with a formal, spectacular, musical production. This last festivity is "the" one for you girls, as you are decked out in a lovely formal and escorted by a blind date. The choice of "the" society is often a difficult one, but remember that the one that you finally decide on deserves your wholehearted support.

In the evening you may feel the need of a coke, sandwich, or an ice-cream cone at the STUDENT

CENTER. Here you'll find many students gathered in an attractive lounge, a recreation center, and the Y-Store, which is the food-supplying section of the STUDENT CENTER. Incidently, it is a good place to stop on your way home from the Saturday night doin's on campus, too.

It won't be long, either, before you discover the two adjectives which are so much a part of the spirit of Maryville. That is, the WARMTH and FRIENDLINESS that are not only a tradition here but a vital part of the whole atmosphere—everyone has it. The spontaneity with which you reply to the friendly "hi" and the bright smiles between classes will mean as much to you as to those you meet, and friendships are easily and readily made.

The ARTISTS SERIES, which consists of noted guest artists, provides culture as well as enjoyment. In the past year we have had Sanroma, Douglas and Rathbone, Igor Gorin, the Mozarteum Orchestra, and several others.

Soon FOUNDERS AND HOMECOMING DAY comes in all its dignity. In the morning a chapel service solemnly marks the founding of the College. Dorms are colorfully decorated to receive the alumni who arrive in great numbers. In the afternoon there's a big Homecoming parade with floats of each organization represented as it processes through the town, and that evening the Scotties meet their toughest foe on the old home field. Oh yes — you'll admire and envy the lovely Senior girl who is chosen to reign as Homecoming Queen over the climaxing, gala affair.

Your guess is as good as ours as to what the theme of this year's BARNWARMING will be. This is THE show of the Fall and is held each Thanksgiving eve in the Alumni Gym. Sponsored by the Y's, every effort is made to present the best talent in this musical production. You'll enjoy the little booths before the main feature. For an added attraction there is presented a

court composed of the King and Queen chosen from the Senior class, and attendants from each of the four classes, elected by the student body. But, like the theme, the court is kept a top secret until Barnwarming night.

In no time at all Christmas is here, bringing with it a welcome vacation (preceded by a siege of final exams). In the midst of all the pre-Christmas rush you'll want to take time out for the annual presentation of Handel's **THE MESSIAH.** The Vesper Choir, the Women's Choir, and the Men's Glee Club form the nucleus of the hundreds of voices that blend into this inspiring oratorio. The College orchestra also takes part with Mr. Harter directing.

Curiosity is always aroused by the glimpses of windows being washed, curtains aired, and rugs vigorously beaten by the men and women of the campus. The reason for such display of energy toward domestic chores is because OPEN HOUSE is on its way. This is the time when you can see how the other half lives!

One of the outstanding musical production of the year comes when the Women's Choir and the Men's Glee Club combine to present an operetta. Last year the production was the well-known spectacle of light and gay music, and colorful costumes and choreography, **"Finian's Rainbow".**

Spring is officially here when the college student body and many town people make their way to the Amphitheater in the college woods for the annual MAY DAY PAGEANT. A dramatization of a fairy tale is presented for the audience and the May Day Court. This consists of a Queen, who has been chosen from the Senior Class, and her attendants, who are chosen from the other classes and reign with the May Queen over the festivities.

We began by telling you about your first days here on the Hill, and we reach a climax with COM-

MENCEMENT. Classes and exams are over and the dignified services are at hand. The procession begins with the Daisy Chain, composed of fourteen girls from the Junior Class who make the long chain through which pass the Choir, Graduating Class, Board of Directors, and Faculty. Graduation brings many mixed emotions as it is both a sad and a happy occasion, for it symbolizes and commemorates many ideals and goals, for the graduate, for his faculty friends, and for his parents. Maryville's spirit has imprinted upon the student within her walls the strength, knowledge, and insight that prepare him for a worthwhile service in the field that he has chosen.

Maryville emphasizes the building of the mind, body, and spirit. In her organizations she develops personality and friendship, as students work and play together. In her classes and studies she emphasizes the importance of intellectual curiosity and the acquiring of knowledge. And in her religious organizations and services one's spiritual growth is nurtured and inspired to loftier goals. Through each of these areas there is a common purpose which is a strong unifying factor in the campus life. It is the spiritual emphasis on our campus that is the impetus to the friendliness and desire to help that is so prevalant in each student. This is an introduction to the religious program that Maryville offers. These are some of the high-lights of the opportunities and vital programs that are planned for the students to participate in, to share, and to enjoy.

ALL - CAMPUS PRAYER MEETING is held every Thursday evening at 9:30 in the Y rooms on the side of Thaw. These meetings are led by a Senior who delivers a short meditation and has the devotions before his message. This provides an opportunity, not only for the person leading, but for those who partake, to share in prayer and in Christian thoughts together.

This year we are fortunate to have the LITTLE CHAPEL open for small groups and individual worship.

This chapel is located in Samuel Tyndale Wilson Chapel. It will be open at all times for devotional purposes.

Sunday is a quiet, peaceful day for the students as they return from Sunday School and Church. In the afternoon the Y's give an inspiring program and in the evening VESPERS provides an opportunity for worship and praise as we hear a message from a speaker and listen to our own Vesper Choir. Sunday is the day that starts our week off with freshness and vigor.

Sometime early in the fall, the College begins its drive for the FRED HOPE FUND, which was established as a tribute to the memory of one of Maryville's outstanding graduates, Fred Hope, who spent his life as a missionary in Africa. Today this fund enables Maryville College students and faculty to have a part in some outstanding and needy mission work in the foreign field. In the past years we have given our support to a hospital in Ferozepore, India, where Dr. Dorothy Ferris, a graduate of Maryville, is head doctor. She, incidentally, was here just this last year on our campus, telling us of the work and advancements that are being done in her area. This drive is not only a responsibility but a privilege. You'll want to share in this worthwhile drive.

In the first few days of our second semester we have an inspiring week of religious emphasis and spiritual re-awakening, FEBRUARY MEETINGS. The team of religious leaders consists of the one who brings the message, the one who leads in singing, and the one who plays the piano. These men lead both morning and evening services for the entire ten days of the meetings. There is such a strong interest in the topics of the messages that there usually are group discussions after the regularly scheduled evening meetings, plus many private conferences with the leaders. It is an opportunity and privilege to attend these services for the renewed strength that is received for the

weeks that follow.

Nothing is as beautiful as the thrill of seeing the sun's first rays burst over the Smokies as the Vesper Choir sings triumphantly, "Alleluia, Christ Is Risen." Nature is all around you as you sit on top of the hill in the Amphitheater and gaze upon the cross and reflect upon the true meaning of Easter. The EASTER SUNRISE SERVICE is not only an enriching but a worthwhile experience in one's college life.

Each spring, near the end of the school year, the Y's RETREAT to a beautiful lake in the mountains for the week-end. This is a time not only of spiritual fellowship, but of spiritual evaluation of the programs and individual growth of the year. The RETREAT also gives an opportunity to plan a more pertinent and vital program for the following year. A new theme is chosen as a guide for both Y's to follow and to share. This year the theme is "Christ Is Life". The Y's are most important organizations on the campus, and their spiritual influence is shown by the active membership and wide interest that is shown as the students participate in the programs together.

There are many groups on the campus in which one can grow spiritually, but it is also recognized that each one has his own individual needs, goals, and desires. Therefore, there is MORNING WATCH which is your own private-devotion time. We hope that you may feel the true spirit of Maryville, as it is displayed in her organizations but most important of all, in her people, both faculty and students. We hope that you will take advantage of things that she has to offer, and can soon feel a part of the Maryville "spirit".

ABC's OF GOOD DORMITORY LIFE

One of the first things we learn at college is to live with a large group of people instead of just the three or four that most of us are used to. Experience has taught us that the oft-quoted Golden Rule is the best policy to follow. Many rights and privileges are ours to enjoy as long as we are careful to respect the rights and privileges of everyone else. We're offering a few suggestions that we hope will make your days in the dorm happy ones.

Everyone likes to help a friend now and then, so be sure to do your share of helping. Of course, everyone should know how to be a good friend and refrain from being a habitual borrower.

Open house comes at a busy time of the year so you had better not wait until then to start cleaning your room. Your roommate probably doesn't like a messy room anyway.

Every night many people in the dorm want and need to do some concentrated studying. They will appreciate your consideration in observing their "busy" and "genius-at-work" signs as well as avoidance of loud talking and door-slamming.

Almost everyone has his own favorite radio program. Try to keep your radio turned down, so everyone can hear his own favorite program without interference from his next-door neighbor.

Guests and visitors have a way of appearing at the most unexpected times. It's always a good idea to appear properly clad when in the halls; otherwise it can be very embarrassing for an outsider to meet you, and vice versa.

Sincerity and cheerfulness are "musts" in making and keeping friends. Griping and "catty" remarks are a sure way of losing friends.

Your conduct in the lounges and public rooms should always be such that others will feel free and welcome to come in at all times.

To be a good dorm student
Do:

—Limit the length of your phone calls
—Gather up the dirt after sweeping instead of leaving it in the halls
—Wait until after "busy" hours to wash your clothes in the bathrooms
—Respect study hours
—Be quiet in the mornings while others are still asleep
—Do your week's ironing in the laundry room and not on the ironing boards on the floors
—Clean the tubs, basins, etc., after using them
—Remove hot irons from the ironing boards
—Return supplies to the medicine chest
—Return pans and other equipment to dorm kitchen or rec room
—Be quiet and considerate of those who are trying to study or sleep
—Be a friend

Alterations to Rooms

1. Any plans for alterations or improvements in your room must be approved in advance by the Head of your Dormitory, after consultation with the Main-

tenance Office.

2. Students are held responsible for the condition of their room and furniture.

3. No furniture should be altered or moved from rooms or lobbies without the permission of the Head of the Dormitory.

4. Each student must furnish and use a mattress pad.

Electrical Equipment

1. Since the overloading of electrical circuits is a dangerous fire hazard, clocks, razors, lamps, and radios are the only electrical equipment used in dormitory rooms, and these only after the prescribed fees have been paid (see below).

2. There shall be no tampering with the electric system.

3. Each student shall be responsible for knowing when he is using more than allowed current.

Lights

1. Standard lighting equipment in each room consists of wall outlets and a 150-watt ceiling light. For each 50 watts above this allotted amount, a fee of $2.50 each semester will be charged, payable at the Treasurer's Office during registration ($3.50 if late).

2. Lights are to be out in the Freshman-Sophomore dormitories at 11:00 p.m. each night. Warning lights will be flashed at a quarter until the hour for lights to be turned off and again at the hour for lights out. Light cuts for study only may be had in each room twice per week.

Lights in the Junior-Senior dormitory may remain on any night after 11:00 for study purposes only. The same regulations for quiet, each girl in her own

room, and light cuts for study only, are in effect at eleven o'clock.

Lights may remain on in all women's residence halls until 12:00 p.m. on Saturday night with the rule for quiet after 11:00 still in effect. Permission must be obtained for parties after this hour.

3. Students are asked to turn out lights when leaving their rooms.

Radios

1. A fee of $2.50 each semester, payable at the Treasurer's Office during registration, is charged for each radio. Application for permit is made to the Head of Dormitory. If payment is late, the fee is $3.50.

2. Radios must not be played between 11:00 p.m. and 6:00 a.m.

Study

1. Dormitories are to be kept quiet for study and rest, and in consideration of others, from 8:00 a.m. until 3:30 p.m., and from 7:15 p.m. until 6:00 a.m. "Closed" study hours are maintained in the Freshman-Sophomore dormitories from 7:30 p.m. until 9:30 p.m.

2. You may study in the Library throughout the day and each weekday evening, except Saturday, from 7:00 until 10:00 p.m. Women students after 7:00 p.m. must sign out and in on the dormitory sign-out sheets.

Illness

1. In case of illness, notify the Head of your Dormitory at once.

2. Forms for having absences excused must be presented at the Personnel Office within two days

after returning to classes; otherwise the excuses will not be honored by the Personnel Office.

Infirmary

1. If you go to the College infirmary as a patient, arrangements should be made through your House-mother. You should take your own pajamas, towel, washcloth, etc.

2. The infirmary clinic is open each week day as follows:

10:00—11:00 a.m.
4:00— 5:00 p.m.

(The doctor is there on Monday, Wednesday, and Friday nights.)

Emergency cases, of course, are received at any time.

3. If you visit patients in the infirmary, please observe the following visiting hours:

1:00—1:30 p.m.
4:00—5:30 p.m.
6:30—7:15 p.m.

Permission should be obtained from the nurse before visiting patients.

Ironing

1. All ironing must be done in the laundry rooms or other specified places. The ironing boards on each floor of the women's dormitories are for pressing only.

2. No ironing is to be done on Sunday except emergency pressing between 7:00 and 9:00 a.m.

Laundering

1. All ironing must be done in the laundry rooms except in emergency cases when small amounts of light laundry may be done in the bathrooms.

2. No laundering is to be done on Sunday.

3. Each dormitory has its own regulations concerning the use of the Bendix machines.

Business Agents

Students must have permits from the Student-Help Office in order to solicit business in the dormitories.

Smoking

Smoking is not permitted in any of the dormitories (or elsewhere on the campus). Violations are subject to College discipline.

Emergency Drills

Each dormitory will participate in emergency drills, having its own organization and regulations.

Confiscation of Equipment

In the women's dormitories this is handled by the monitors and officers of the Women's Student Government Association, and in the men's dormitories by the Head of the Dormitory as follows:

a. Any electrical equipment being used in dormitory contrary to regulations will be confiscated.

b. Radios in use after 11:00 p.m. will be confiscated and placed in the office for one month.

General

1. Possession of liquor bottles, public or private signs, or road markers is considered, for obvious reasons, a disciplinable offense.

2. Possession of firearms, pass-key, or key to any dormitory room other than one's own is forbidden.

3. Regulations imposed by civil law are in effect College regulations. For example, the possession or use of fireworks and the like in buildings and on the campus is violation of Tennessee law and therefore a disciplinable offense.

Absence from the Dormitory

1. After 7:15 p.m. you must personally sign out and in on the sign-out sheet.

2. After attending any college function, return to the dormitory promptly (15 minutes is the maximum time allowed).

Absence from the Campus

1. Students who have off-campus permissions are expected to carry out the spirit of the College regulations in their off-campus activities.

2. Permission to attend off-campus functions must be made through arrangements with the Head of the Dormitory or the Dean of Women.

3. You must always sign out and in on the sign-out sheet.

4. You may go to Maryville or Knoxville any weekday providing you return to the campus before 6:00 p.m. Trips to Knoxville are not made in the company of men, except by permission of the Dean of Women. (See WSGA Constitution, Article VII, By-Laws Nos. 2 and 3 for Junior and Senior privileges.)

5. If you wish to visit over the weekend or to be absent overnight from the campus, you will have to have written permission from your home or have had your parents previously sign the regular Standing Permission form which allows you approximately five visits a semester other than to your own home. Approval for these visits must be obtained in advance from the Dormitory Head, and your plans must be discussed with her so that she can fill out your activity card properly.

6. When properly chaperoned and arranged at

least one week in advance with the Dean of Women, week-end camping trips are allowed; seniors and juniors may have two such trips a year, and sophomores and freshmen, one.

7. You may go to the College Woods in groups of two or more on weekdays and Sundays, but not in the company of men. See Article VII, WSGA Constitution (Senior Privileges).

8. When leaving the dorm, you must sign out and in on the proper sign-out sheet.

Monitors

1. Each student is required to serve as monitor, as arranged by WSGA. As monitor you must be present on your floor, seeing that the halls are kept quiet during study hours and that students are in their own rooms after 11:00 p.m. It's your job to check on proper use of lights and radios at night, to answer the buzzer, and to see that rules in general are obeyed. Violations are to be reported to the House Committee.

2. Monitors will not need to be on duty on nights of large all-campus activities, such as Artists Series or formal dances.

Telephoning

1. Local or long distance calls may be made and received any time between 6:00 a.m. and 11:00 p.m.

2. Outgoing calls, except to faculty and staff, must be made on the pay phones.

3. Incoming calls will be received on the office phone and transferred to the pay phone.

4. Everyone should limit calls to five minutes.

Summons before House Committee

Students will be brought before the House Committee for violation of any dormitory regulations, undue disturbances, or consistent lack of cooperation.

Absence from the Dormitory

Overnight absence must be arranged with the Head of the Men's Dormitory. It is important that the whereabouts of students be known at all times, in case they should be needed for any reason.

Lobby

Men living in the dormitory may entertain their families in the lobby.

Visiting

Visiting hours when men may visit in student rooms in Carnegie and Bartlett are from 3:30 to 7:15 p.m. each day.

Disciplinary Measures

Disciplinary measures will be taken by the Executive Council of the Faculty or the Supervisor of Men's Residence for infraction of these rules:

1. Abusing light privilege by habitually using lights after 11:00 p.m.

2. Being in someone else's room after 11:00 p.m. or having visiting student in his own room.

3. Creation of disturbance in dormitory.

4. Wilful destruction of property.

5. Violation of other dormitory regulations.

Lights and Extension Cords

One hundred and fifty watts are allowed for lighting purposes. Lamps and|or appliances may not exceed four and these must be connected with standard five-foot extension cord with not more than one on each outlet.

LET'S EAT

Meals are served in the Dining Hall on the first floor of Pearsons Hall according to the following schedule:

Weekdays: 7:00 a.m., 12:30 p.m., 6:00 p.m.

Saturdays: 7:00 a.m., 12:30 p.m., 5:30 p.m.

Sundays: 8;00 a.m., 12:30 p.m., 5:30 p.m.

Your guests may eat in the dining room by arranging with the Dietition. Meal prices are:

Weekdays:
Breakfast, 35c; Lunch, 75c; Dinner, 75c.

Saturdays:
Breakfast, 35c; Lunch, 75c; Supper, 40c.

Sundays:
Breakfast, 35c; Dinner, $1.00; Supper, 40c.

All seven of your tablemates will appreciate your appearing well-groomed at meals, especially dinner. For Sunday dinner, both men and women are expected to wear their "Sunday best".

Try to make conversation table-wide, but remember there are tables all around you, and it is annoying to them to have to listen to your conversation. After all, loud and boisterous talking is bad manners anywhere. And speaking of manners, be sure to take them along when you go to the Dining Hall. A polite "please" or "thank you" isn't too heavy a burden for anyone to carry.

Your waitress will appreciate your thoughtfulness in getting to and from meals on time, since she has classes and obligations too.

It is customary that grace be said before every meal.

Again our advice is to be friendly and courteous!

CAMPUS SOCIAL LIFE

Dating

1. Parlor dates may be had in the women's dormitory parlors from 7:00 until 10:15 p.m. any weekday evening by arranging with the Head of the Dormitory. Freshman and Sophomore women may have four each month and Junior and Senior women may have an unlimited number.

2. Sunday dating for Freshmen and Sophomores is for the services only, with the exception of Easter and Baccalaureate Sundays, when afternoon dating is also permitted.

3. Calling hours for men in the women's dormitories are as follows:

Weekdays	1:00	to	1:20 p.m.
	3:30	to	5:30 p.m.
	6:30	to	7:15 p.m.

(Men may stay in the dorms after Vespers on Sunday until 8:15 and after Student Vols until 9:15.)

4. Couples may be together within the Circle Drive each weekday evening until 7:15 (7:00 on Sunday) and until 1:20 on Sunday afternoons.

5. Couples who date at announced College activities will return to the women's dormitories within fifteen minutes after the close of the activity; and men do not stay after that time. Otherwise, there is no dating on weekday evenings, except that men may walk with women directly from the Library or the Student Center to the women's dormitories and leave immediately.

6. Dating in Knoxville for women other than Seniors may be arranged occasionally by permission from the Dean of Women. Only bus transportation is approved.

Dancing

1. Social dancing each weekday (except Saturday) evening following supper till 7:15 is informal, held in the Intramural Gymnasium.

2. Two formal, all-college dances are held each year, one in the fall and one in the spring. For girls dress is formal; for fellows tuxedos are nice but not necessary—business suits are just as acceptable. Admission tickets and corsages are regulated by the Social Committee. Your request for a non-student guest must be handled through the office of the Dean of Women.

3. Occasional informal all-college dances have rules which say "No" to corsages, tuxes, and admission charge. Music is recorded, and the informal note is set.

4. Dancing is permitted for small groups scheduling parties in the Y-rooms or other small social rooms, by arrangement with the Dean of Women and those responsible for the premises involved.

Planning All-Campus Entertainment

1. Programs must be officially authorized and scheduled through the Faculty Committee on Scheduling of Activities (Office of Dean of Women).

2. Student programs are subject to preview by the Student-Faculty Committee on Student Programs.

Planning Parties, Picnics, and Other Social Activities

1. You must secure approval from the Dean of Women's Office at least five days in advance.

2. If the function involves transportation, it must be by a conveyance on which personal insurance is carried on the passengers—this means buses, trains, or private cars.

3. All social activities must be held on the campus or at some other approved place and must be properly chaperoned.

4. The "Y" Rooms are available if arrangements are made in advance through the "Y" Rooms Committee of the YWCA. There is a charge of 25c for use of the kitchen. Each social activity there must also be scheduled through the Dean of Women's Office.

Evening Activities

Evening activities must be scheduled in advance with the Faculty Committee on Scheduling of Activities (Office of Dean of Women).

Initiations

1. Initiations are not to interfere with the general program of the College; for example, they must not be such as to create disturbance in Chapel, classes, dining hall, or dormitory. They must not involve physical force or hazard.

2. Plans and procedures for initiations must be approved in advance by the Student Organizations

Committee, in accordance with the principles stated above.

Smoking

1. No student is permitted to smoke anywhere on the campus. (The "Aztec Ruins", near the steps on the edge of the campus, back of Carnegie Hall, are considered off-campus for smokers.)

2. No student who smokes is eligible for student-help work.

Automobiles

1. No out-of-town student may have an automobile or other motor vehicle while at Maryville College except by special permission given only in unusual cases. This permission is required whether or not parking space on the campus is desired; request must be made in writing through the Personnel Office, before the car is brought.

2. Students living in Maryville who regularly use cars at the College must secure permit tags each year from the Maintenance Office. Parking spaces will then be assigned to those who park regularly on the campus. (Faculty members also secure permits and parking assignments.)

3. Women students are not permitted to ride in automobiles with men without permission from the Dean of Women. Permission should also be secured from the Housemother for other automobile riding (townspeople, visitors, day students, etc.)

Dress

1. Girls never wear shorts (even Bermudas) on the campus except when engaged in active sports. Bermudas may be worn to such special, active affairs as the YWCA's Hen Party & Big-Little Sister Party. Jeans and slacks are worn when the occasion calls for such dress—as hikes, sports, stage crew, etc.—

but not in classes, dining hall, or to town.

2. Girls may wear jeans or slacks, but not shorts, when hiking the loop.

3. Men always wear shirts or jerseys, even when playing tennis.

4. Careless or sloppy dress is not acceptable in the dining hall at any time. Students are expected to give special attention to dress for Sunday dinner and other dress-up occasions; that is, girls will wear "heels and hose" and men "suits and ties" at such times.

General

1. Ball throwing or snowballing is not permitted near buildings.

2. Athletic facilities are not to be used on Sundays

3. Visiting drug stores, restaurants, and the like between Sunday School and Church and on Sunday afternoon is not permissible.

4. Use of intoxicants by students is forbidden.

5. Pool-rooms and places selling beer or other alcoholic beverages are out of bounds to students.

6. Each student organization must be approved by the faculty. No secret organization is permitted.

Demerits

These are given by the Executive Council of the Faculty for violation of College regulations.

Dismissal from College

This decision is made by the Executive Council of the Faculty when a student:

1. Accumulates fifteen penalized absences within one semester.

2. Accumulates ten demerits.

3. Is guilty of a serious infraction or persistently fails to cooperate with the general program of the College.

ON GOING TO CLASS

1. Students are advised to keep a personal record of all absences.

2. Excuses for illness or other emergencies must be presented at the Personnel Office within two days after returning to class, otherwise they will not be approved. You must notify immediately the Head of the Dormitory of any situation requiring your absence from classes, chapel, Sunday School, and Church. No excuses will be approved unless you do this.

3. Absences will be authorized for approved College activities, such as scheduled trips for members of the debate squad, choir, band, ball teams, etc.

4. Here is a list of cuts allowed from each class or service that may be taken on your own responsibility when you think necessary. Students on the honor roll (2.25 standing the preceding semester) are allowed one additional cut from each class.

Freshmen and Sophomores

Chapel	3
Sunday School or Church (total of)	3
1-credit hour class	1
2-credit hour class	1
3-credit hour class	2
4-credit hour class	2

Juniors and Seniors

Chapel	5
Sunday School or Church (total of)	6
1-credit hour class	1
2-credit hour class	2
3-credit hour class	3
4-credit hour class	4

The Personnel Office applies a penalty for each "over-cut" taken. Grade points and semester hours are deducted from your total according to the following:

1. For each "over-cut" one-half semester hour and one-half grade point will be deducted from the total credit.

2. For "cuts' within two days before and after a recess or holiday, one-half semester hour and one-half grade point will be deducted for each class missed.

3. Upon accumulating fifteen penalized absences in any one semester, the student is immediately dismissed from College.

Absences for any cause (allowed, excused, authorized) totaling 25 percent of the course in which the absences are incurred, debar the student from receiving a grade higher than D in the course; or totaling 50 percent, debar from credit in the course.

Hello Scottie!

Your Young Women's Christian Association wishes to extend a hearty welcome to you and to say that we're mighty glad you have decided to further your education at Maryville. We hope that before too long you will feel right at home and quite a part of the fellowship "on our hill".

You have been introduced to the YWCA already through the Nu Gamma and Big-Little Sister Programs. Some of the other phases of Y are done cooperatively with YMCA because we feel in that way we can accomplish more in witnessing for Christ on our campus and in the community. Join with us in our theme for the coming year—"Christ Is Life!"—and let us set it up as a challenge for our lives as well as for the life of the Y's.

We are looking forward to meeting you and having you participate actively in some service of Y.

Sincerely,

Ann Kelton

"Christ is Life"

H'lo Men,

Let me take enough of your time to tell you we've got the "welcome" mat swept off and waiting for "you all".

YMCA has an "M" for MEN... and a "C" for CHRISTIAN. Men is the way we accept responsibility and shoulder our half of the load... and more; Christian in the truest sense of the word— not just the sitting-back -and-hymn_singing_kind— but the kind that really gets out and does things for others. So let's make our manliness Christian and our Christianity manly as we unite our efforts striving to serve Him in all that we do—whether it be sports, worship, missions, socials, or wherever we may take our place in the work of our organization.

Much of the Y's success lies in your hands and we are anxious to meet you as we prepare for a great year.

Sincerely,

YMCA President

HOW WE SPEND OUR FREE TIME

While Maryville College puts its major emphasis, naturally enough, on scholastic standing, you'll want to be active in a few extra-curricular fields too. We warn you—you'll be tempted to join all the facinating clubs and organizations the campus boasts. But book learning comes first; better still, find a happy balance between grades and activities. You'll find enough of both to satisfy you; and, while our hospital is cool and comfortable, it isn't run as a rest home for exhausted activity hounds.

We hope you'll find activities that will make the most of your time and interests. Efforts and enthusiasm wear better and are more appreciated when they are concentrated. If you budget your time wisely, you'll have not only good grades but also an important place in campus life.

HONORARY FRATERNITIES

Alpha Gamma Sigma

Alpha Gamma Sigma was organized in the spring of 1934, for the purpose of motivating high scholarship among students. Its requirements are similar to

those of Phi Beta Kappa. Ten percent of the graduating class may be admitted provided the members have a grade point ratio of 2.33, better than a B average.

Pi Kappa Delta

Maryville has the distinction of having the Tennessee Alpha Chapter of Pi Kappa Delta, national honorary forensic fraternity. Debaters of sophomore classification or above who have fulfilled certain qualifications are eligible to be elected into its membership. Members of this organization are awarded orders and degrees according to rank and achievement. Maryville participates in the Pi Kappa Delta National and Provincial Conventions.

Theta Alpha Phi

Talented dramatic students may upon meeting certain requirements for membership, be initiated into the Tennessee Delta Chapter of the national dramatic fraternity, Theta Alpha Phi. Members of this organization take a leading part in dramatic activities on the campus; however, opportunity is given to all students to try out for the various plays given throughout the year.

Sigma Delta Psi

Maryville's chapter of Sigma Delta Psi was established in 1930. Membership is earned by meeting the requirements of various athletic tests in the presence of a responsible committee.

SOCIETIES

Bainonian

Varied activities and friendships highlight the program of Bainonian Society. Soon after school starts this year, Bainonian will join her brother society Kappa Phi to present a Rush Week program. Weekly meetings through the year are held in Bainonian Hall.

Theta Epsilon

Organized in 1894, Theta Epsilon Society has played an active part in campus life. The second week of school this year will find Theta and her brother society, Alpha Sigma, presenting their Rush Week. Meetings are held each week in Theta Hall.

Alpha Sigma

Alpha Sigma, founded in 1884, offers men of the College an opportunity to participate in activities that will build true friendships. It enters teams in all intramural sports and holds an annual weekend trip to the mountains, barbecue, banquet, and similar activities. It joins with its sister society Theta Epsilon in producing a dance and a Rush Week program.

Kappa Phi

Lasting friendships are made in Kappa Phi Society, oldest society on the campus. College men appreciate a society that brings them a varied and interesting social program and also active participation in the College's intramural program. Kappa Pi joins Bainonian, its sister society, in its annual Rush Week program and holds weekly meetings in its society room.

OTHER ORGANIZATIONS

Student Volunteers

Student Vols is affiliated with the national Student Volunteer Movement. Vols is a fellowship of students who wish to establish and further a significant concern in the missionary enterprise. It is composed not only of students who are planning to go to the field, but also, and chiefly, of all those who are in any way nterested in the mission of Christ's church. The weekly programs (Sunday night after Vespers, usually in Bartlett Hall) present informative and challenging aspects of the work being done on both the foreign and home mission fields. Regular

prayer-fellowship and study groups, a special missionary out-reach project, and socials also have a vital part in the total Vol's program.

Christian Education Club

Maryville's newest campus organization — the Christian Education Club — was formed for the purpose of giving an opportunity to prospective Directors of Christian Education and church workers to become familiar with various skills needed in the field. This is done through a program of lectures and laboratory periods. The club is open to all those interested.

Parish Project

The Maryville College Parish was incorporated last year in the new larger parish of the Blount County area. College students are needed in the program to serve as Sunday School teachers and as youth workers. More are needed to preach on Sundays and to teach during the week. Students are given a half-hour credit for this work and they attend weekly conferences for guidance in their program.

Pre-Ministerial Association

The Pre-Ministerial Association, organized in 1900, is open to all students who are planning to become ministers or who are interested in other phases of Christian service. In addition to its regular meetings twice a month the Association shares in planning with the other religious organizations, YM, YW, and Student Vols, the campus prayer meetings and other campus religious programs. Its members are encouraged to engage in some form of service to local missions and rural churches in the vicinity of Maryville

CLUBS

International Relations Club

Maryville's I.R.C. is affiliated with the Association of International Relations Clubs. Its purpose is to stimulate an awareness of current international affairs. Student-led programs include movies, speakers, and discussions on such pertinent topics as Indo-China, Israel, and South Africa.

Pre-Med Club

To anyone who is planning to go into medicine or nursing the Pre-Med Club offers an excellent chance for hearing lectures on medicine and related fields from various prominent members of those professions.

Often there are student participation programs or selected short movies. The club meets twice a month throughout both semesters and interest is the only prerequisite to membership.

French Club

The French Club is composed of thirty members who are taking French and who qualify for membership by scholarship and interest. This club features semi-monthly programs of French songs, games, movies, and plays, and holds occasional socials.

German Club

All College students who are interested in German culture, regardless of whether or not they are German students, are eligible for membership in the German Club. Regular meetings are held twice a month to stimulate interest and arouse participation in different phases of German culture.

Spanish Club

The limited active membership of thirty plus all native Spanish-speaking students on the campus are

elected from applicants who are interested in the activities of the Spanish Club. Beside the semi-monthly evening meetings at which are presented programs of language, customs, culture, music, dance, and use audio-visual equipment in the language laboratory, there are an outdoor picnic and a Christmas party featuring the Spanish pinata. All Freshmen are invited to visit the club when they arrive on the campus.

"M" Club

"M" Club is the girls' athletic club of Maryville College. Membership is attained by making a total of 400 or more points through participation in what is known as Women's Varsity. In addition to athletic activities two hours a week, the members meet monthly for business discussions and enjoy an athletic activity together. The high spot of the club's activities is the weekend hike in the Smoky Mountains once each semester.

Men's "M" Club

The Men's "M" Club is open to all varsity lettermen and male members of the coaching faculty. The purpose of the organization is to further the bonds of athletic brotherhood on the Maryville campus, to be of service to the school and the athletic program, and to increase loyalty to the best interests of the College.

Disc Club

The Disc Club was organized in 1936 to encourage music appreciation. Its organization is very informal, and all students who wish are considered members. Half-hour programs of music representative of various periods and styles are presented twice monthly after the evening meal.

Writer's Workshop

Literary interest and achievement are the basis for

membership in Writer's Workshop. Members are elected from the junior and senior classes and faculty. Each member writes and presents to the group two papers each year for criticism and in turn serves as literary critic.

Future Teachers of America

Jasper Converse Barnes Chapter of the Future Teachers of America was organized in the spring of 1949. All students planning to teach are eligible for membership in this club which is affiliated with the National Education Association.

B. G.

This is a small club of eight campus girls who keep the meaning of their initials a secret. At the end of each year two freshmen and one sophomore are elected members. Originally organized for hiking, the club today is purely social.

Business Club

The Business Club was formed for the purpose of promoting a better understanding of sound business practices and to give its members a wider acquaintance with the various fields of business and the opportunities and possibilities that they offer. This is done through semi-monthly meetings at which different business leaders talk to the group, and films on various phases of business are shown. Although membership is limited to majors in business administration and economics, its meetings are open to anyone interested in the field of business.

Music Education Club

The Music Education Club is affiliated with the Music Educators National Conference as Student Members Chapter 383. Membership is open to all students interested in teaching music. Meetings are held the first and third Thursdays of each month.

MUSIC

If you have any musical ability whatsoever, be it singing, blowing a tuba. or playing a violin, there's ample opportunity at Maryville to develop those talents. The musical program gets in full swing with the performance of the marching band at the football games and ends with the choir's final anthem on graduation day. Recitals which anyone may attend are given from time to time by music students and faculty.

Vesper Choir

The Vesper Choir provides good training and genuine pleasure for those who are interested in singing. It is composed of about sixty members who must pass rigid tryouts before they are accepted. The group participates in the weekly vesper services and the daily chapel programs as well as presenting special programs in Maryville and surrounding cities. The choir has sung in many cities of the East, Midwest and South.

All-Girl Choir

The sixty girls who compose this group are selected by tryouts each semester. They replace the Vesper Choir at the Sunday evening service a number of times a year. In the fall the Girls' Choir combines with the Men's Glee Club to present a sacred concert, and in the spring the combined groups present a program of secular music.

Men's Glee Club

This group consists of about forty men, but additional members may be admitted by tryouts each semester. The sacred concert in the fall and a secular program in the spring are the highlights of the year's activities for the Glee Club.

Band

The students who enjoy playing a musical instrument are urged to try out for the College marching band. The band, numbering about fifty pieces, plays for all the home football games and takes one out-of-town trip with the team. For freshmen and sophomores the marching practice takes the place of the physical education requirement. When football season is over, the marching band reorganizes as a concert band, which gives an outdoor concert during the last few days before commencement. Don't take the chance of not having an instrument for tryouts; bring it along with you this fall.

As befits true "Highlanders," the band is uniformed in authentically styled kilts of imported Scotch wool. They make a striking appearance on parade and are the pride of the campus.

Orchestra

Orchestra members are admitted and placed by tryouts each fall. They gain valuable experience in presenting two concerts of classical numbers annually

and accompanying "The Messiah." Their spring concert features an outstanding music student playing a well-known concerto.

Tau Kappa Chi

This is a musical organization for students who either are music majors or are taking applied music. Its purpose is to promote student and community interest in music. The aims are to raise the general academic standing of those enrolled in music; to provide a goal for all students interested in music; to promote thoroughly trained musicianship; and to further the understanding of all types of music. A general average of B for the last two semesters is required for membership.

String Ensemble

The String Ensemble is open to all string players in the orchestra. Various programs are given throughout the year, both on and off campus.

DRAMA AND DEBATE

Playhouse

The Mayville College Playhouse originated in the fall of 1949. In addition to those who are qualified as Players, there are many Apprentices working toward the position of Player. Three outstanding plays were presented last year: Shakespeare's **The Taming of the Shrew, Beyond the Horizon**, by Eugene O'Neill, and **The Importance of Being Earnest**, by Oscar Wilde.

Besides the major plays the Experimental Theatre gives several one-act plays during the year.

Debate

Through the years Maryville has had an outstanding record in debating and other speech activities. Debating is an excellent extra-curricular activity in that it develops ability and effectiveness in speaking, encourages interest in world affairs, teaches one to reason logically, and provides a sense of achievement for a job well done. It will be especially valuable for those planning to enter the ministry or law professions.

The record of the varsity squad this past year was particularly outstanding. They participated in six intercollegiate tournaments, winning the sweepsteakes in three. In all of them they won an outstanding number of first and second places in individual events. One debator won the highest honor possible in Pi Kappa Delta, that is, the degree of special distinction in debate and oratory.

Tournaments attended were: the Smoky Mountain Tournament at Carson-Newman College; the Tennessee State Tournament at Tennessee Polytechnic Institute; the Pi Kappa Delta Regional; the Appalachian Tournament in Boone, North Carolina; the Magnolia Tournament in Columbus, Mississippi; the Strawberry Leaf Tournament in Fredericksburg, Virginia. The first three were the ones in which Maryville debaters won the sweepsteakes.

CAMPUS PUBLICATIONS

Opportunities for creative writing are offered through the various college publicatins. Many who are interested in journalism gain valuable experience by serving on the staff of the college newspaper.

Highland Echo

The **Highland Echo** is the college newspaper, usually published weekly. Freshman and other new students are welcome and urged to try out for staff positions if they are interested. At the end of each college year, staff promotions are made on the basis of writing, interest, and dependability. The **Echo** constitution limits the number of staff members from each college class. The editor is elected by the staff, and is usually a senior. Chief purpose and policy of the **Echo** is to present campus news as interestingly and as thoroughly as possible.

Chilhowean

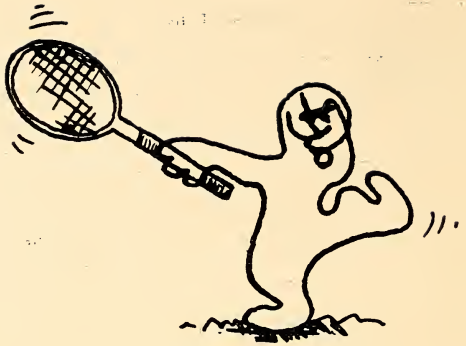
The **Chilhowean** is the annual year-book which is published by members of the junior class. It gives a vivid account in pictures of the outstanding events of the year as well as individual pictures of almost all of the student body.

Alumni Magazine

The **Alumni Magazine** sends news of the College and alumni to former students of the College. It is published quarterly by the Alumni office.

M Book

As you have already discovered, the **M Book** is the little volume you are now reading. It is published every year by the YMCA and YWCA and is the official College handbook. College rules, customs, and activities are described within for the student's benefit.



SPORTS

Every boy has at one time or another dreamed of being a star in some sport. At Maryville there is a fine chance of making that dream a reality. Maryville is very active in intercollegiate sports and also maintains a well organized intramural sports program for those who wish to participate. For the girls there is a well-developed point system whereby a girl may earn a sweater with an "M" or an "MC" monogram. No one is expected to wear other school letters at Maryville.

Maryville does not buy her athletes. Those who participate in intercollegiate sports earn their places on the teams by physical prowess and acceptable scholarship.

Intercollegiate Athletics

Maryville is known for her strength in minor sports. She competes with the best colleges and universities in the field. In past years Maryville has placed high in wrestling in the Southeastern AAU Tournament. This year our wrestlers had two first place and two second place winners. The tennis team completed an excellent record, winning all intercollegiate match-

es but four. The cross-country team came through the season with a good record.

In major sports Maryville holds her own with colleges of the same size. Through the years she has had good records in baseball, basketball, football, and track.

Let's all support our teams enthusiastically, win or lose, because school spirit is part of Maryville'

Intramurals

athletic program, too.

Every man has a chance to participate in non-varsity sports through the intramural program, which develops social traits as well as physical fitness. The program includes touch-football, soccer, volleyball, basketball, swimming, wrestling, track, softball, tennis, golf, ping-pong, badminton, and cross country. The physical education requirement consists of two hours a week of regular gym classes for freshmen, while sophomores may either attend class or participate in intramurals. Although not required of juniors and seniors, many upperclassmen take active part in the fun and recreation which these sports provide.

Dancing in the Intramural Gym

One of the many enjoyable pastimes after the evening meal is that of social dancing in the intramural gym. The dancing lasts from about 6:20 until 7:15. Occasionally some of the fellas on campus work up a combo and the music hits a really smooth beat and a sweet, even rhythm. The usual music, however, is that of some of the latest and most popular records.
